Strengthening the Social Distancing
'21.12.18. (Sat)~'22.1.2. (Sun)
Regulations on private gatherings (up to 4 people nationwide)
Operating hours limit (21:00 and 22:00),
Strengthen distancing in some other areas of daily life.

□ Main Point

○ Reducing the number of people in private gatherings: Up to 4 people nationwide.

- Non-vaccinated persons cannot be with the persons who is fully vaccinated (can only be used for one person)

- However, the existing limit of exceptions continue to exist for families living together and care (children, elderly, disabled, etc.)

○ Operating hours are limited until 21:00 (Group 1**, Group 2**)

*Group 1: Entertainment Facilities,

**Group 2: Restaurants, Cafes, Karaoke bar, Bathhouses Business, Indoor Sports Facilities, etc.

- Group 3*** and some other facilities are limited to 22:00.

*** Academy, Movie Theater, Performance Hall, Internet cafe, Reading Room, etc., and some other facilities (Horse Racetrack, Kids Cafe, Massage Center, etc.)

○ Events and Rallies : strengthening of quarantine rules for large-scale events and rallies.

- Up to 49 people, vaccinated or unvaccinated is possible without distinction.

- In case of more than 50 people, up to 299 people is possible those who is fully vaccinated, etc.

○ Some Other Areas of Daily Life

- Strengthening social distancing in everyday areas such as schools, workplaces, and public institutions

• School : Adjust the density to 2/3 level.

Flexible adjustment by region and school in consideration of regional infection status, etc.
Elementary school density is 5/6, middle and high school density is 2/3 (applied from 12/20)

- Workplace : Reduce the density in workplaces by activating Work-from-home and actively used the different time to go in work and off in work

- Public Institutions : Postpone the face-to-face event, or strictly observe the public service discipline in accordance in the strengthening of the social distancing such as refraining the gatherings and dinners.
